Inclusion of more areas in KBK scheme

†1119. SHRI RUDRA NARAYAN PANY: Will the PRIME MINISTER be pleased to state:

(a) whether there is a demand to include some other parts of the State of Orissa in Koraput-Bolangir-Kalahandi (KBK.) scheme;

(b) if so, the details thereof; and

(c) the approach of Government with respect to extending duration of this scheme?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI M.V. RAJASEKHARAN): (a) Yes, Sir.

(b) The demand received from the State Government related to inclusion of Kandhamal, Gajapati and Padampur Sub-Dvision of Bargarh district in the Special Plan for the KBK districts. Gajapati district was covered under the Backward Districts Initiative of the Rashtriya Sam Vikas Yojana. For Kandhamal district, Additional Central Assistance of Rs. 10 crore is being provided for implementation of the District Plan. The demand for inclusion of additional areas could not be acceded to as it would have spread the provisions for the Special Plan too thinly and would have diluted the impact on the KBK districts.

(c) The duration of the scheme will depend on the outcome of the decision on the Backward Regions Grant Fund which is under finalisation.
